## AGAWAM - Be Warned! Forewarned is Forearmed

Where do we go from here? What now, Agawam? Let's take a hard look at Agawam and its future. What can we expect? The year 1969 financially could be the beginning of a dollars and cents fiasco that will make it prohibitive for residents to own their own homes. We can look forward to tax jumps of from \$10.00 to \$20.00 per year for the next 4 years. How and why? Let's delve into the whys and wherefors a bit. Our town warrant this year, if all money articles pass, will total in the neighborhood of \$1 million over last year's budget. It will be almost impossible to cut this amount to the \$½ million mark, which means anywhere from \$13.00 to \$15.00 per 1000 tax increase this year. Our observation dictates that the town budget increase will go over the ½ million mark.

### Costs up - up - up

Other prospects involved are: Income from new construction, in tax dollars, will not be more than \$125,000. The initial talk is that the school budget alone will be above \$300,000 over last year. This year, what must be added to the RED side of the ledger are many items up for action. A New Library--New Town Hall--New School--Sewer Survey--Wage increases (cost of living)-- Fire stations--Staff for New School-- Sewers--Water lines--Sidewalks--Street drains-- Rubbish collections--Garbage collections--Kindergarten--Snow plowing--Road maintenance--Police--Firemen--Insurance--Interest rates--on and on-- Constant increase in material costs--Welfare--Medicare--Medicaid, up, up, up, -- with no end in sight.

### Homeowners to Bear Burden

The homeowners must bear the brunt of this load. As we see it, it will not be long before it will cost more to live in your home (even if it is all paid for) than when you could pay off your mortgage, taxes and interest for less than just your taxes will soon be.

### No Initiative Taken

What have your administrators contributed to creating a proper balance of the budget to your tax increases? There hasn't been 1 initiative token by your Selectmen to overcome the increasing the increasing imbalance of your tax burden!

### Building Inspector's Report Deceiving

The Building Inspector's report sounds very impressive at \$5½ million of new construction, but, let's break it down. Of the \$5.5 million, 2½ million for homes assessed at 40% will bring to the town treasury only some \$80,000. Almost \$2 million of permits were issued just last month, and construction hasn't even started as yet, and the balance has very little taxable value because it is mostly repairs and alterations; therefor, if the taxable value reaches \$125,000 it will be very generous.

What must also be kept in mind is that when the town goes into 100% valuation, the homeowners taxes will increase some 20% over the present amount.

### Planning Board Member Biased

Planning Board member, Paul Fieldstadt, should disqualify himself from making a decision on the new zone bylaw changes. He has prejudiced himself to the degree that his decision for the planning board, if allowed, would be criminal. Before the Plan. Board public hearing took place, Mr. Fieldstadt initiated petitions, made calls for support to defeat the zone bylaw changes. School children were given typed messages to take home to their parents which sought to influence the townspeople to vote against the zone changes. He is working all out to defeat the zone change. Anyone that prejudicial has no moral or legal right to make, or attempt to make, an unbiased recommendation.

**Daniel F. Bouchard**

Air Force Academy Cadet Bouchard has been cited for academic achievement in the recent semester. Daniel F. Bouchard, Class of 1971, is on the superintendent's list, dean's list and the commandant's list. Cadet Bouchard is the son of Mr. & Mrs. Louis F. Bouchard of 42 Mountain View Street, Agawam.

### Little Children Start on Tonette

390 Third Grade students in Agawam's Elementary Schools are beginning their study of the Tonette this week, as the usual introduction to the fundamentals of musical instruments. As part of the school curriculum, all 3rd grade pupils meet as a group for a ½ hour of instruction weekly under the direction of Mrs. Sally Lowell, Elementary Instrumental Instructor. Together they will learn simple tunes, rhythm, counting, fingering phrasing, and musical interpretation through the playing of the instrument. A Tonette, or Son Flute is a plastic instrument which is fingered the same as a Saxophone, Flute or Clarinet. Each student has his own Pre-Instrument Method Book, which he is allowed to take home for additional practice. The Song Flute provides an inexpensive means for the child to discover if he likes music and for the teacher to learn which students seem to have the necessary qualifications to be successful on an instrument in the Fourth Grade Beginners' Classes. Highlights of the year are

### TAXPAYER ASSISTANCE

Beginning Mon., Feb. 3 and continuing daily (Mon. through Fri. except Fri., Feb. 21) through Feb. 28, taxpayer assistance will be rendered in the Springfield office located at the P.O. building.

On the dates indicated, I.R.S. personnel will be available from 8:30 A.M. to 5:00 P.M. to render assistance to all taxpayers who call seeking assist. in the prep. of their Fed. income tax returns.

Mr. Williams director, urges all taxpayers to complete as much of their return as possible before calling at the office.

Telephone assistance 781-2420 any time from 8:30 A.M. to 5:00 P.M. on dates indicated.

### AG. GARDEN CLUB 35th BIRTHDAY

Tues., Feb. 11, will mark the 35th year of the Ag. Garden Club. The meeting is scheduled for 7:45 at the Cpt. Leonard House. Pres. Natalie George, will conduct the business.

In connection with the Birthday celeb. highlights of the Club's history will be reviewed and festivities will include a color film "Grand Canyon", a musical and pictorial interp. of Ferde Grofe's Grand

### Young Chiselers Working Agawam

Reports of unauthorized solicitation in the name of the Heart Fund have come to Clyde Sayles, executive director, West. Chapter, Mass. Heart Ass'n.

He said today that all Heart Fund volunteer solicitors are required to wear a red, white and blue identification tag when asking for donations.

Heart month is February, he said, but is reported to him that youngsters, PARTICULARLY IN THE AGAWAM AREA, have been asking for Heart Fund gifts in the last several days. He urges the public to insist on seeing the "ID" tag before making a donation in the name of Heart.

### Canyon Suite.

Besides Mrs. George, other officers elected at the Nov. annual meet. were: V.P. Helen Lawrenchuk, Sec., Elsie Worthington, Treas. Bertha Rafferty, Pub. Alice Moore. Com. Chm. : Friendship, Jessie McMahon, Nature, Barbara Farrington, Lit. Marie Giroux; Garden Service Connie Joyner, Ref. Lucy Vogt, and Tel. & Trans. Vivian Benoit.

### Agawam Elementary Concert Band

Musical Congrats are in order for 55 Young Musicians who have been chosen from the Ag. Elementary Advanced Bands to comprise the Ag. Elementary Concert Band.

Competition was particularly keen this year among all band members and pupils were chosen through auditions on the basis of superior achievement in studying and playing their instruments, coupled with their dedicated attitude in regular band rehearsals.

This Honor Musical group rehearses weekly in the H.S. Band room on Tues P.M.s after school, under their director, Mrs. Sally Lowell, Elementary Instrumental Instructor. They are working diligently on numbers for the Spring Concert the end of April, in addition to being available for several Community organization concerts. Details may be had by calling Mrs. Lowell.

New depth has been added to the Woodwind Section by 2 young performers on Bass Clarinets - James Rondinelli and Michael Marvici.

Mark Benedict, a 6th Grade student at Robinson Park School, and a pupil of Ralph Konz, is featured this year in a famous trumpet solo with the band - Trumpeter's Lullaby by Leroy Anderson. Stephen George, a 5th grade Clarinetist from Phelps School, studying with Sheldon Wax, has a solo part in the 2nd Movement of Gustav Holst's

2nd suite for Military Band. Varied selections complete the program.

75% of these members are studying their instruments privately, accounting for the difficulty of the chosen music, and weekly practice on the music proves that "practice makes perfect" - we hope!

Assisting the band this year are 4 "Alumnae", now students at the Jr. H.S., Dennis Murphy, David Wood, David Quigley, and William Lowell.

In addition to members listed above, Concert Band players are: Cheryl Fogg; Maureen Shoemaker; Peggy Montagna; Darcy Davis; James Simonds; Richard Craig; Brett Meyer; James Afflitto; John Cardone; Pat Riley; Alec Newman; Roger Gagnon; Christine Bava; Roy McNamee; Robert Cardwell; Wayne Thresher; Tina Barlow; Allen Greene; Keith Nowill, William Lindsay; Joseph Calabrese; Susan Conway, Susan Muzzy, Daniel Taupier; Phillip Jensen; Lou Ann Hallaman; Jane Benerakis; Diane Pappas, Thomas Cassidy; John Tesney; Todd Nichols; Kathy Ann Porter, John Fleming; Donna Hulse; Suzanne Moriarity; Mark Consolin; June Ellen Brandoli; Lynn Morassi; Joseph Fleming; Gregory Abbey; James Donovan; Sharon Cusson; Paul Byrne; Leo Tortoriello; Joseph Rolland; Jody Massa; Gary Fortier; Jackie Taupier; and Nickie Stoia.

tremendous growth of the Instrumental Band Program, both in numbers of children participating and their degree of proficiency in playing their instruments in a remarkably short time.

**Agawam Med. Center Plans Revised**

In an interview with the Agawam News today, Dr. Paul Query made the following announcement concerning the proposed Main St. professional building now under consideration for action at the annual town meeting.

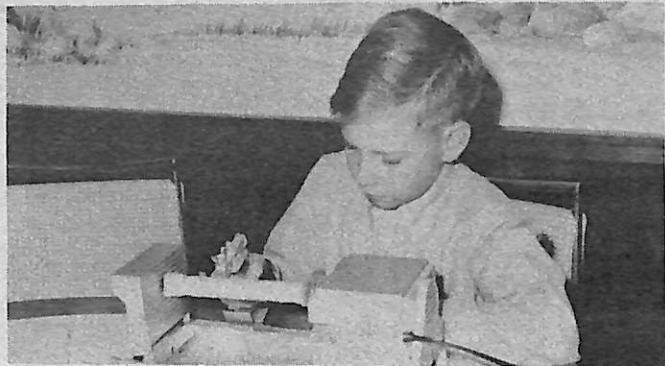

"As a result of our continuing effort to give every possible consideration to the wishes of all concerned, the plot plans have been revised in such a manner as to completely eliminate any access or egress to Redd St. With the new plot layout all access to the Building and grounds will be from Main St. alone."

Dr. Query went on to point out that the population of Agawam now

exceeds 20,000 and yet a community of this size has only 3 physicians and 5 dentists at present. "How can the town possibly hope to attract the desperately needed professional people when it has absolutely no suitable facilities to accommodate them" he asked. I personally know of 1 specific case in point where in the past 6 months, the individual concerned went all over Agawam trying to find a suitable office location. This individual is now in the process of opening an office in a neighboring community despite the fact that Agawam remains the town of his choice.

Dr. Query also stressed the

importance of this facility in terms of the tax revenue it would give to the town. "As you know," he stated, "last year the tax rate in Agawam went up \$14. and this year another substantial increase seems inevitable, possibly in excess of an additional \$10. The only way to offset the required increases in our town's budgetary requirements is to increase our tax revenue, and this is best accomplished through self-sustaining business facilities such as this. Initial response has been excellent and I have every confidence that the annual town meeting will approve the required zone change."

**BOBBY BROZ, PRINCE OF HEARTS**

Bobby, fully recovered from his stroke, enjoys making model battleships.

When Bobby Broz of Agawam was two and a half years old, he suffered a stroke. Today, through the patience and perseverance of him, his parents and numerous doctors and hospital personnel, Bobby is a healthy ten-year-old, able to live a perfectly normal life.

And this year, Bobby has been chosen the "Prince of Hearts" for the Heart Fund campaign which continues throughout February.

Son of Mr. and Mrs. Paul Broz of 24 Broz Ter., Feeding Hills, Bobby will serve as the symbol of this year's drive which seeks to raise funds to support the research, public and professional education and community service which combat the nation's worst killer, the heart diseases.

Bobby attends Pierce School in Agawam and finds time for his hobbies which include making models of battleships and operating a small woodworking machine to turn out miniature furniture. He also has two snow-white cats of which he is extremely fond.

As "Prince of Hearts", Bobby will make appearances at several civic functions. He's already booked for television appearances and will be a special guest at the Greater Springfield Joint Civic Agencies breakfast Feb. 5, the Holyoke Chamber of Commerce breakfast Feb. 19 and the Chicopee Chamber of Commerce breakfast the 18th.

**STIGMATINE FATHERS RETREAT for ENGAGED COUPLES**

The Stigmatine Fathers will conduct a retreat for engaged couples over the weekend of Feb. 7-9, at the Espousal REtreat House in Waltham, Mass. Tel. (617) 893-3465.

These retreats, which have been successfully conducted for the past few years, begin on Fri. eve. and end on Sun. afternoon. They are intended for couples who are seriously considering marriage in the foreseeable future, and are concerned with preparing for a Christian marriage. Those of all denominations and of mixed faiths have made these retreats in the past, and are most welcome in the future.

**Social Security Info**

Mr. Daniel J. Murphy, Jr., District Manager of the S.S. Office at Springfield has an important announcement today for all those over 65 in this area.

The period from Jan. 1, through March 31, is the general enrollment period for enrolling in the supplementary medical insurance under S.S.

Mr. Murphy emphasized that this is the last chance for those persons born prior to 10/1/01 who have never enrolled to take advantage of this insurance.

This general Enrollment period will also allow those persons born after 10/1/01 who did not enroll during their initial enrollment period to enroll now.

Enrollment in this period would entitle these individuals to supplementary medical insurance effective with 7/1/69. The cost of the premiums will be \$4.40 or \$4.80 if it is the last chance.

To obtain this insurance you must complete an enrollment form which may be obtained through the S.S. office located at 145 State St., Springfield. Telephone 781-2420.

Individuals already enrolled do not have to take any action to maintain their coverage.

**MASS. TAXPAYERS FOUNDATION CHEERS MEDICAID CONTROLS**

"Governor Sargent rates a round of applause from Mass. hard-pressed taxpayers on his statement recently announcing a definite step toward limiting Medicaid expenditures," Frank J. Zeo, Exec. V.P. of the Mass. Taxpayers Foundation stated.

"We agree entirely with the Governor that -- the Medicaid program in Mass. is out of control" -- a fact pointed out by the M.T.F. some time ago.

"Finally, we are getting action -- and Gov. Sargent has made a real start by lowering the income eligibility limit for participation in

Medicaid payments. He has also indicated that an exploration is further underway to curb the skyrocketing costs of Medicaid, by other types of cutbacks.

"There is no hope of satisfying the taxpayers of Mass. or of controlling state and local taxes unless the runaway Medicaid program is brought under control. "We trust that these further measures to reduce the tremendous burden of Medicaid on the budget, and on the taxpayer, will be put into effect as speedily as possible."

**Blood Center Schedule**

Tues., Feb. 11, Y.M.C.A. (Central) Buxton Room, 275 Chestnut St., Spfld., 10:00 A.M. - 4 P.M. - Tues., Feb. 18, K. of C. No. 160, 2071 Page Blvd., I.O., 1:00 P.M. - 7 P.M. - Tues. Feb. 25, American International Auditorium, Wilbraham Road., Spfld. 10:00 A.M. - 4:00 P.M. For donor transportation and appointments call A.R.C. 737-4306.

**BUDGET CUTS HURT MENTALLY ILL**

Mass. is defaulting on its promise to the thousands of its citizens, men, women, and children, who are mentally ill or will become ill in the next few years, according to Irving H. Chase, Pres. of the Mass. Assoc. for Mental Health. "The bright promise of 2 years ago following a special session of the legislature, called by Gov. Volpe, to provide funds and professional manpower to help get the mentally ill out of the giant mental institutions, or to keep them from ever having to go into the institutions through the development of comprehensive community mental health programs throughout the Commonwealth, has been bitterly exploded by the news contained in the Governor's proposed budget for fiscal 1970," Mr. Chase declared.

The Dept. of Mental Health has been allowed only 255 new jobs, many of which are for caretaking services, instead of the 1000 positions needed for new treatment and personnel in our communities. "The citizens in our cities and towns are bitterly complaining now about the unmet promises to them, and the area boards are finding that their distinguished citizen members, appointed by Volpe over a year ago, are threatening to resign unless they are given the funds to put their community programs into operation. This cannot be delayed another year," said Chase.

"20 years ago 33c of every tax dollar went to treat thymentially ill. In 1959, this had shrunk to 14c. Today, the Governor's budget would reduce this to 8½c. This year, the needs of the mentally ill were given a brushoff with a mere increase of \$4 million compared to a total state budget increase of about \$250 million. Yet, the mentally ill require an immediate increase in order to begin to implement the community mental health act.

"It is a mockery of the gov. system for legislation to be passed but with the funds to implement it being denied from year to year. The \$4 million increase does not even cover ordinary inflationary costs and fails completely to meet the need for more professional workers to treat the mentally ill. The least the Commonwealth could do is to give the D. of M.H. the \$19 million in Medicaid funds which are paid to treat the mentally ill but which instead have gone into the state treasury.

"We call on the Gov. and on the leadership of the Gen. Court to keep faith with the 200,000 citizens of Mass. who are seriously mentally ill today and by fulfilling the great promises made just 2 years ago. Failure to do so will halt the real progress now being made and will be tragic to the mentally ill and their families," Chase said.

## TUFTS U. SUMMER PROGRAM for JR. DENTAL TRAINING

High school students interested in devoting the summer to scientific research are invited to apply for the Junior Dental Scientist Award being offered by the Tufts U. School of Dental Medicine. Eligibility is open to any H.S. student who will not graduate until the summer of 1969.

Junior scientists receiving the traineeship award will spend 8 weeks on a research project in the dental school's labs in Boston, according to the dir. of the summer program, Donald B. Giddon, D.M.D., Ph.D.

"The students selected will receive a \$300 stipend and will work directly under members of the dental school faculty," explains Dr. Giddon, who is Prof. and Chm. of the dental school's Dept. of Social Dentistry.

He emphasizes that H.S. juniors and seniors who apply need not have a special interest in dentistry, but that they must be boys and girls who are "genuinely and keenly interested" in scientific research. Upon successful completion of the 8 week

course, the student will receive a Junior Dental Scientist Awards Certificate from the A.D.A.

Application forms may be obtained either from H.S. counselors or directly from Dr. Giddon at Tufts U. School of Dental Medicine, 136 Harrison Ave., Boston, Mass. 02111. Deadline for applications is May 1. Counselors will receive the applications within the next month.

Tufts U. School of D.M. is one of 26 dental schools throughout the country offering the Junior Dental Scientist Awards. The program, administered by the Council on Dental Research of the A.D.A. is supported by a grant from the Warner-Lambert Pharmaceutical Company. Tufts is the only New England dental school participating in this national program.

The Armed Services own or use land equal to a 13-mile strip across the country, according to the MASS. AUDUBON SOC.
